Read It Forward: We will be continuing our summer reading program! We are hoping that students will be able to choose 4 or 5 books to take home for the summer and then return them in the fall. We want as many of our students as possible to have the opportunity to read over the long break. In order to do that we obviously need books. So if you have books around your house that your children have outgrown and no longer want, we are asking you to donate them to the school for summer reading. You can box them up and bring them in to Mrs. Walls. Please ask your neighbors and other family members as well. Thanks for your help with this much needed project.

Summer School: **Please get your students signed up for summer school as soon as possible.** Student sign ups will assist us in our preparations to make our program great, because we have more time to plan for student needs. Stocker will focus on reading and math through technology and small group instruction. We will be working with Forest Park again. Summer school will be 8-12 for all students. Please follow up with the office if transportation would be needed for your child to attend.
