

Welcome!

Hello everyone! I am Mrs. Gagliardi your child's 1st. grade teacher for the 2016-17 school year! This is my 10th year at Stocker. I have taught many different elementary grade levels in the past including middle school science, but I have to say teaching 1st. grade is where my "heart" is!

Both my husband and I are life-long residents of Kenosha. We have 3 amazing children that we are very proud of. Our 3 children are attending WI state colleges. Fingers crossed our oldest son will graduate in the spring of 2017!

I want to assure you that your children are in safe hands every day. My promise to you is to care for them as if they were my own. I also promise to set high expectations for them academically and socially. My goal for them is to become the best they can be! I am looking forward to the three of us (student/teacher/parent) working together to create a successful year of learning.

Thank you in advance for your support!
Mrs. G.
