## Reminders

Parents, when you are picking up and dropping off your children, please remember to park in the lot! Parking in the circle driveway prevents our buses from getting through.

Keep practicing zipping those coats!

You can support your child's learning at home by playing letter and number games!

Please return your family Gingerbread project ASAP!

## Learning Focus

This week we will be reading two different Gingerbread Man stories retold by Jim Aylesworth and Bonnie Dobkin

We will be decorating gingerbread art, sorting gingerbread men, retelling the gingerbread story, and in dramatic play we will be making gingerbread cookies and serving friends at the Ginger Café.
