Stocker Elementary

Conferences

Where does time go? Wow, it is almost conference time. For three days, Wednesday through Friday, February 22 - 24 I will be meeting with parents. Next week I will send a reminder note about your assigned day and time. During conference time, we have our book fair up and running in the library. Be sure to drop in and check out the books after you have your conference with me. I have to stay on schedule because most conferences are back to back and some parents have more than one conference to attend. Thanks in advance for coming in to talk with me about how your child is learning.

Timeline Biographies

I am so happy to see the poster timelines that students created about a famous person. They are very creative. The posters will be hanging in the hall during conferences. Please be sure to take a look! Also, if your child has not completed the project, please have them do so as soon as possible. Thanks for your help.

Writing

We are focusing on informational writing during the third quarter. We just completed writing about something that was interesting that each person knew a lot about and could tell information about to someone else. The students were allowed to use resources to gather information. You can view your child's writing on Google Doc. Just ask your child to show you!
