Reminders

Please remember that your child needs to be fever/vomit/diarrhea free (without medicine) for 24 HOURS before they can come back to school!

Please return conference preference sheets as soon as possible. Please include multiple time options.

Keep working on independent skills like putting on gloves and zipping coats!

Learning Focus

This week we will be using PebbleGo.com to learn and write about different kinds of Arctic animals.

We will also be observing Polar Bears at the San Diego Zoo, using ice to paint winter animals, building igloos with blocks, journaling about our favorite Arctic animals, and in Second Step we will be learning different ways to calm our bodies down when we have strong feelings.
