

# Kinder Co-op News

## Picture of the Week!

*Hooray for the first day!*

### Looking Ahead:

It has been a great first week! Our kinders are learning the rules and routines of school.

Here are a few things for you to remember:

- Please empty and return the blue communication folder **every** day.
- If you haven't returned the pink Family Information sheet, please do so ASAP. This provides us with valuable information about your child.
- Our classes are growing. Room 366 has 27 students. Room 356 has 26 students. Please remember this when its your child's snack day. Thanks!

Welcome to our first Co-op newsletter! These will come home each Monday. The bottom half will be a 'homework' page to inform you of the skills we are working on in class. There **may** also be an individual goal for your child written in. Please practice and make

sure your child is able to do those skills **independently**. When they can, please sign and return the bottom half of this newsletter. This should help to keep you informed of our kindergarten goals.

Please sign and return bottom half.

## HOMework

Whole Class Reading Focus- Each week we will be working on 1 or 2 new letters and new words. We need your child to be able to recognize, print, and make the sound for the letters. Also, they should be able to read the word. This week we are working on **letter Aa** and the word "I."

Whole Class Math Focus- Each week, we will work whole group on many different math skills. In time, your child will have an individualized list of skills that he or she will be working on. This week, we have introduced the number of the day and growing number line. Also we are doing a daily calendar routine and weather observation. We will be checking everyone on counting and shapes this week. We will work on counting and introducing math centers.

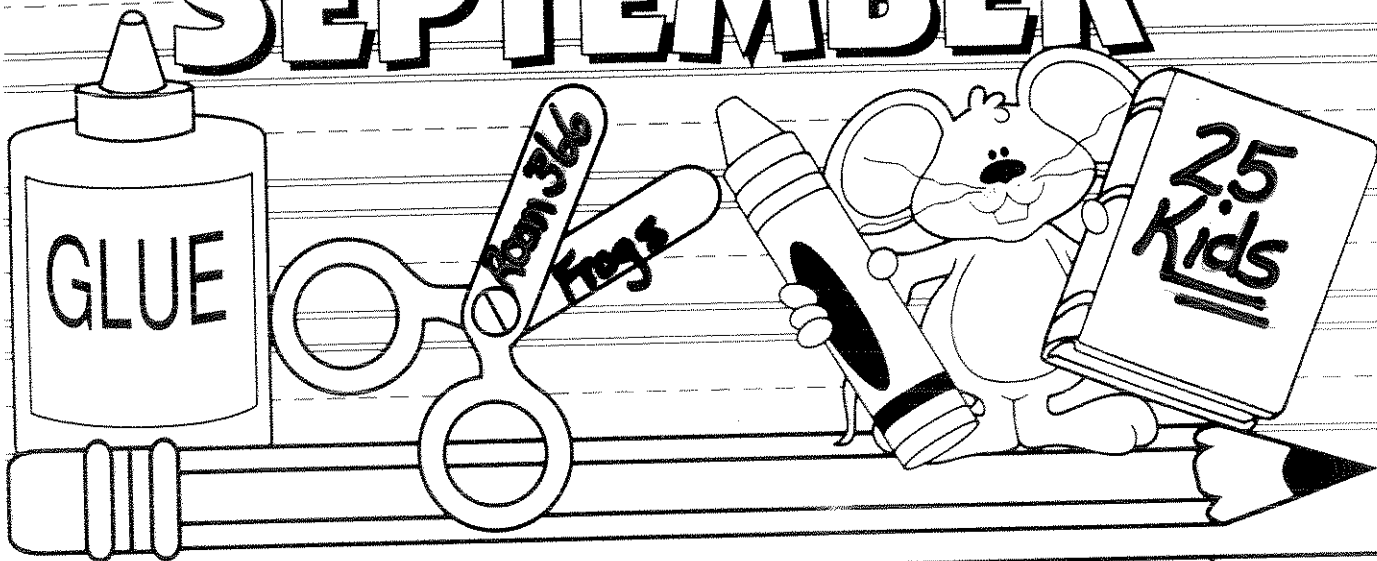

Individual Learning Focus-

Parent Signature \_\_\_\_\_

# Snacks
