

March News

We are going to continue learning about Nursery Rhymes!

We will also be introducing the letter C!

Events

March 5th – The Stardust Ball

March 13th – PTKS meeting

March 16th – PRE-K Pajama Day

March 24th – Mrs. Rydzewski's Last Day

Reminders

We will be attempting to go outside more, now that the weather is starting to warm up. Please send your students with appropriate outside wear!

PLEASE make sure your child stays home if they are sick! They must be fever/diarrhea/vomit free for 24 hours without medicine before they can return. Even if they do not have the previous symptoms, but have a continuously runny nose or congestion, please take precaution.

Learning Focus

This week we will be learning three Nursery Rhymes:

"TWINKLE, TWINKLE, LITTLE STAR"

"BAA BAA BLACK SHEEP"

"LITTLE BO PEEP"

In small groups, we will be counting stars and matching numbers to the stars we have counted (quantifying). In journals, we will be writing about where Bo Peep might find her sheep, making water color star scenes and working on letter writing, in art, and building Humpty Dumpty's wall in blocks. We will also be identifying rhyming words and working on letter and number identification.
