

April News

April 3rd - 6th

We will be celebrating Autism Awareness Month!
We will also be talking about letter S!

Events

April 5th- Culvers Night

April 12th- Autism Chat n' Chew

April 14th-23rd - Spring Break

Reminders

We have started our ALICE training lesson plans with our students. This is a great time to talk about being prepared for an emergency and staying safe.

Starting Monday, all K5- 5th will be starting the day outside again. We will continue our normal routine, but side doors will no longer be open. Only the main entrance.

Home visits will be starting on Fridays throughout April and May..

Learning Focus

This week we will be focusing on Autism Awareness! Going along with this theme, we will be talking about the 5 Senses.

We will be reading "Ian's Walk" by Laurie Lears.
& "All My Stripes" by Shaina Rudolph

We will also be exploring the senses we use while making and eating popcorn, matching sounds with what we see, guessing different smells, writing our letters and numbers in shaving cream, and exploring kinetic sand.
