

Pumpkin Book Report

Dear Parent and Guardians,

We will be doing a book project for October. Your child is asked to choose a character from a book (at their level) and decorate a pumpkin to look like that character. You can use yarn, paper, paint, wiggly eyes, or anything else you can think of. Be creative!!! **Please do not carve the pumpkin.**

In addition to the pumpkin, your child will need to complete the book report form on the back of this note. The pumpkin reports will be due on Friday, October 21. These amazing projects will be on display for the Stocker Fall Festival. Please contact your child's teacher if you have any questions.

Thanks for helping your child with this project.
