

# Meet Mrs. Gallenberg

For those of you who don't know me, my name is Mrs. Amanda Gallenberg and I am excited to begin my second year at Stocker Elementary and my eleventh year teaching this 2017-2018 school year!

I came to Stocker last year, embarking on a new journey teaching 1st grade after spending the previous eight years teaching both K4 and K5 in full day programs. I received my Bachelor's degree in Early Childhood-Elementary Education at Marian in Fond du Lac.

My husband, Nick, and I reside in Muskego, where we raise our three children. Our oldest, Alayna, just turned 10 and will begin middle school this fall as a 5th grader; Jack will turn 6 this fall and begin kindergarten; and our

youngest, Evan, who just turned one this summer, gets to spend his days with our wonderful and trusted babysitter, Tracy. A few of my leisure activities include spending time with my family and friends, swimming, running, relaxing with a good book and a large cup of coffee, and watching sports. (Notre Dame, the Packers and the Brewers are the teams we cheer for!)

I am very passionate about providing balance for our students by meeting their individual social and emotional needs while making personal gains academically. I have many goals for the children and myself this year as we begin our adventures in first grade!

If you have any questions throughout the year, please do not hesitate to contact me. You can leave a voicemail by calling the office, send an email to [agallenb@kUSD.edu](mailto:agallenb@kUSD.edu) or by contacting me directly via Remind. Remind is my preferred method, as I am able to respond back the quickest.
