

News from Mrs. Siedjak

Stocker Elementary

Testing

We will be taking the Wisconsin Forward Exam during the weeks of April 16 - 20 and April 23 - 27. Fourth grade takes the whole battery of tests which includes: Math, Reading, Language Arts, Writing, Social Studies and Science. Please be sure your child has a healthy breakfast, a snack to eat at school daily, and gets plenty of rest. Also, visit our Stocker Bookmark page and find the button labeled "Forward Exam Practice." This will help you to understand what your child will be tested on. Thank you for all of your support as the students will be working hard on all of these tests.

Math

We are trying hard to fit in as much math as possible every day. Please be sure your child completes his or her homework assignments. Typically on Monday through Thursday you will find a math practice sheet in your child's purple Communication Folder. If you have time, please check over what we are working on at school. Sometimes the kids will have a review sheet or the worksheet is what we are currently working on. Any encouragement or assistance you can offer to your child is always appreciated!

Social Studies

Last Friday, we welcomed Representative Peter Barca to our school. He talked with the fourth graders about Wisconsin Government. The kids were great listeners and they learned a lot!
